Do you have problem with domestic violence?

The AFCS DV Program “Peace UP and Violence DOWN.”

Program begins, Tuesday, August 10th, 2010 & Thursday, August 12th, 2010

The National Coalition against Domestic Violence (DV) defines as a pattern of behavior used to establish power and control over another person through fear and intimidation, often including the threat or use of violence, when one person believes they are entitled to control another.

Domestic Violence is AGAINST the law and Violence is NEVER acceptable.

During the course of the program, we will learn about DV, types of abuse, safety plans, effects of DV on Children, signs of domestic violence, etc...

This DV program is also appropriate for those batterers who needs to learn, read and practice, and often have low self esteem, rush in to relationships, are excessively jealous, use negative behaviors (drugs, alcohol, battering) to cope with stress, and/or have poor communication skills, etc...

It is everybody’s business, and it is a crime!

- In NYS and NYC, Police have attended thousands of homes because there is domestic violence.
- Every day children in NYS and NYC who live with violence are scared at home.
- Probably you may know someone that is being abused at home.
- Abusing people in the home breaks families apart.

Domestic Violence:

- ✓ Domestic violence is a crime and is not a private matter, and children are affected by DV.
