

## What we do best:

-  Bridge the gap between Child Care, Head Start, and community-based preventive services.
-  Recruit and support foster homes in the community.
-  Create enhanced visitation for families with children in foster care in their community.
-  Join families in team conferences that help their children rejoin them.
-  Create school linkages.

**Elmhurst Community  
Partnership Initiative**

**A Community Coalition  
Bringing Community  
Resources to the  
Needs of its Families**

In 2007, the Commissioner of Children's Services called for a Community Partnership Initiative in the Elmhurst area of Queens. A group of service providers with a strong history of service in the northern Queens community, banded together to form *Families Building Community*.

Since then, local families have been helped by services backed by this distinctive coalition of the Elmhurst community.

“Life's most persistent question is, “What are you doing for others?”

-Martin Luther King, Jr.

*Families Building Community* welcomes working with NYC Children's Services to help deliver services to children and families in their own community of Elmhurst.

Together, NYC Children's Services and our community resources can augment the successful hard work of supportive services to strengthen families and keep children in their community.
