

# Have You Used a Community Visit Host Lately?

## Who is a Community Visit Host?

- A person who supports families in their efforts to reunify with their child (ren).
- A person who helps to assure the safety of the children during visits.
- A person who encourages positive interaction between child and parent.
- A person who monitors visits, which take place in family and community- oriented settings.

For more information about the visit host program or about becoming a visit host, please contact your local Community Partnership Program:
